SPRING - SUMMER 2013

Creative Decorations at Tablescape 2013

Tablescapes 2013 was a great success, raising over \$10,000 for Horizons Unlimited. Our third year of Horizons' theme table dinner fundraiser was an

exciting party filled with creative tablescapes and a wonderful crowd who came out to support Horizons

planning and preparing their theme tables, and their efforts showed in the beautiful tables that graced the ballroom. Again this year, attendees could vote with their money for the best table at the event. This year the honors went to Joyce Funeral Home's Forever Ireland table.

Thank you to all for making Tablescapes a success! Special thanks to our gold event sponsors who went above and beyond this year: Hughes Healthmart Pharmacy, Ron & Jean Eichmeier, Montag Manufacturing, and Wild Rose Casino & Resorts.

Check out the Tablescapes 2013 slideshow at our website: www.horizons-unlimited.net under News & Events. Mark your calendars for next year's Tablescapes on Thursday, April 24, 2014!

Unlimited. The festivities took place on April 25th at Wild Rose Casino & Resort in Emmetsburg.

Employment First at Horizons

In an effort to create more inclusive workplace environments in our community, Horizons Unlimited is adopting Iowa's Employment First Initiative. The Association of People Supporting Employment First (APSE) defines *employment first* as: "Employment in the general workforce is the first and preferred outcome in the provision of publicly funded services for all working-aged citizens with disabilities, regardless of level of disability."

Kathy Jackson, Job Development Specialist, is heading up the efforts at Horizons Unlimited to bring Iowa's Employment First Initiative to our community. Her job is two-fold: (1) Build business partnerships for job opportunities, and, (2) train members for

individualized, customized jobs in the community. Kathy works with businesses to find niche employment opportunities, and matches those opportunities with Horizons members that have the needed skill sets.

"It's a win-win for everybody. Businesses find people to do needed jobs, and our members find meaningful work," Kathy remarked about the program. Currently, the Employment First program at Horizons Unlimited is working with Building Center of Emmetsburg and Soper Farms.

For more information about the Employment First program or to get your business involved, contact Kathy Jackson at 712-852-2211, ext. 123.

Thank You for Your Support!

The following people and organizations have donated to Horizons Unlimited through May 31, 2013. We thank you all for your kindness and generosity. We strive to recognize all who give to Horizons. Please contact us at 712-852-2211, ext. 106 if your name or organization if your gift to Horizons has not been recognized.
