Highlights of November Activities

The month of November sure went by fast and there was a lot of excitement in the air. We had a busy schedule this month, which started off with going to see a special viewing of the Algona High School Play. The actors performed High School Musical. Our members were delighted to be able to watch and sing along. They talked to the actors after the play who took some time out to pose for pictures. We also went to a very special Veterans Day Program at the brand new Performing Arts Center in Algona. Fall is football season too and if you're a fan of the Iowa Cyclones or the Iowa Hawkeyes there is always something to talk about.

Horizons members also had a chance to see something new this month and visited a Taxidermist in Spirit Lake. They learned about the different animals on display and the process a taxidermist goes through, in making the animals look so life like. Everyone was given a peacock feather to take home with them, from the peacock's raised there.

Everyone was excited to talk about their holiday plans. Some went home to be with family and some had Thanksgiving here in their homes. We also had a couple members go on trips over the Holiday with Special Journeys. They provide chaperoned vacations for individuals who need assistance traveling. They spent the week in Branson Missouri.

Volunteering this month was another great success. We started something new with Parc Hall. Horizons members volunteered by giving residents lotion hand massages. They also read to some of the residents in their rooms for one on one time. Feed Our Kids has also started back up and we are waiting to hear when Horizons members can be put on the schedule to volunteer their time. December is coming quick and members and staff have been very busy planning the Member Christmas party on December 22nd at the Parish Center.

Please submit any volunteer ideas or opportunities to SamanthaNotle@horizons-unlimited.net
